| <b>Sr No.</b> | <b>Table Name</b>                                                                              | <b>Table No.</b> | <b>Page No.</b> |
|---------------|------------------------------------------------------------------------------------------------|------------------|-----------------|
| 1             | ENGINE ASSEMBLY MITSUBISHI MVS3L2-Z361ET-21.3kW@2800rpm EXPORT DRESSED UP WITH CLUTCH ASSEMBLY | 1                | 1-2             |
| 2             | INLET SYSTEM                                                                                   | 2                | 3-4             |
| 3             | EXHAUST SYSTEM                                                                                 | 3                | 5-6             |
| 4             | OIL PUMP                                                                                       | 4                | 7-8             |
| 5             | OIL STRAINER                                                                                   | 5                | 9-10            |
| 6             | OIL SYSTEM                                                                                     | 6                | 11-12           |
| 7             | OIL FILTER                                                                                     | 7                | 13-14           |
| 8             | OIL FILLER & GUAGE                                                                             | 8                | 15-16           |
| 9             | BREATHER                                                                                       | 9                | 17-18           |
| 10            | WATER PUMP                                                                                     | 10               | 19-20           |
| 11            | WATER PUMP PULLEY                                                                              | 11               | 21-22           |
| 12            | COOLING SYSTEM                                                                                 | 12               | 23-24           |
| 13            | FAN SPACER                                                                                     | 13               | 25-26           |
| 14            | CYLINDER HEAD                                                                                  | 14               | 27-28           |
| 15            | FUEL SYSTEM                                                                                    | 15               | 29-30           |
| 16            | FUEL SYSTEM (NOZZLE ASSY)                                                                      | 16               | 31-32           |
| 17            | GOVERNOR                                                                                       | 17               | 33-36           |
| 18            | INJECTION PUMP                                                                                 | 18               | 37-38           |
| 19            | FUEL INJECTION PUMP DRIVE                                                                      | 19               | 39-40           |
| 20            | GLOW PLUG & WIRE                                                                               | 20               | 41-42           |
| 21            | ENGINE CONTROL (STOP)                                                                          | 21               | 43-44           |
| 22            | INJECTION PUMP (ASSY)                                                                          | 22               | 45-46           |
| 23            | ACCESSORY                                                                                      | 23               | 47-48           |
| 24            | INSTRUMENT                                                                                     | 24               | 49-50           |
| 25            | LIFTING EYE                                                                                    | 25               | 51-52           |
| 26            | VALVE MECHANISM                                                                                | 26               | 53-54           |
| 27            | ROCKER COVER                                                                                   | 27               | 55-56           |
| 28            | CAMSHAFT & TAPPET                                                                              | 28               | 57-58           |
| 29            | CRANKCASE (ASSY)                                                                               | 29               | 59-60           |
| 30            | OVERHAUL GASKET KIT                                                                            | 30               | 61-62           |

**TABLE INDEX**

| <b>Sr No.</b> | <b>Table Name</b>                                         | <b>Table No.</b> | <b>Page No.</b> |
|---------------|-----------------------------------------------------------|------------------|-----------------|
| 31            | COOLING SYSTEM SUBASSEMBLY                                | 31               | 63-64           |
| 32            | AIR CLEANER SUBASSEMBLY                                   | 32               | 65-66           |
| 33            | EXHAUST SYSTEM SUBASSEMBLY                                | 33               | 67-68           |
| 34            | CRANKCASE (OIL SEAL CASE)                                 | 34               | 69-70           |
| 35            | DRAIN COCK & PIPE                                         | 35               | 71-72           |
| 36            | MAIN BEARING                                              | 36               | 73-74           |
| 37            | TIMING GEAR CASE                                          | 37               | 75-76           |
| 38            | TIMING GEAR                                               | 38               | 77-78           |
| 39            | OIL PAN                                                   | 39               | 79-80           |
| 40            | PISTON                                                    | 40               | 81-82           |
| 41            | CONNECTING ROD                                            | 41               | 83-84           |
| 42            | CRANKSHAFT                                                | 42               | 85-86           |
| 43            | CRANK PULLEY                                              | 43               | 87-88           |
| 44            | DRIVE TRAIN PTO AND SHIFTING SUBASSEMBLY                  | 44               | 89-90           |
| 45            | SHAFT PROPELLER ASSEMBLY (4WD COMPACT)                    | 45               | 91-92           |
| 46            | TRANSMISSION ASSEMBLY DRESSED UP                          | 46               | 93-94           |
| 47            | HOUSING CLUTCH ASSEMBLY                                   | 47               | 95-96           |
| 48            | HOUSING SPEED ASSEMBLY                                    | 48               | 97-98           |
| 49            | GEAR ASSEMBLY IDLER REVERSE SPEED                         | 49               | 99-100          |
| 50            | COVER TOP SPEED ASSEMBLY                                  | 50               | 101-102         |
| 51            | DRIVER TRAIN INPUT ASSEMBLY                               | 51               | 103-104         |
| 52            | DRIVE TRAIN SPEED ASSEMBLY                                | 52               | 105-106         |
| 53            | SPEED SHIFTING SYSTEM ASSEMBLY                            | 53               | 107-108         |
| 54            | GEAR SPEED SELECTION ASSEMBLY                             | 54               | 109-110         |
| 55            | DRIVE TRAIN 4WD ASSEMBLY (9+3)                            | 55               | 111-112         |
| 56            | PLATE INTERMEDIATE TRANSMISSION ASSEMBLY                  | 56               | 113-114         |
| 57            | GEAR ASSEMBLY 4WD IDLER                                   | 57               | 115-116         |
| 58            | GEAR DRIVE TRAIN RANGE ASSEMBLY (9+3)                     | 58               | 117-118         |
| 59            | RANGE GEAR SHIFTING ASSEMBLY (COMPACT)                    | 59               | 119-120         |
| 60            | HARDWARE BUCKLE UP TRANSMISSION AND REAR AXLE SUBASSEMBLY | 60               | 121-122         |

**TABLE INDEX**
